

Item no.: JVS-N910

JVS-N910 - 3 MP Smart-light Network Camera

from **44,01 EUR**

Item no.: JVS-N910
shipping weight: 0.70 kg
Manufacturer: Jovision

Product Description

The JVS-N910-LYT is a 3 megapixel outdoor camera with its own spotlight.

The spotlight has 4 infrared, 8 white, one red and one blue LED. 3 different light setting modes provide extensive and specific surveillance.

Number plates are clearly displayed both at night and during the day.

Thanks to the camera's IP 67 protection class, dust cannot penetrate. The camera can also withstand extreme weather conditions without any problems.

- Resolution 2304x1296@20fps
- 4x IR-LEDs, 8x white LEDs, 1x red alarm LED, 1x blue alarm LED
- alarm LED
- Smart light modes (IR/ full colour/ alarm) available
- Day and night number plate recognition support
- AI Human Capture (works only with JOVISION AI NVR)

Display

- Image sensor 1/2.9" CMOS sensor
- Resolution 2304x1296
- Resolution (Megapixel) 3 MP
- Compression standard H.265 / H.264
- Frame rate (fps) 20 fps
- SNR (dB) 52 dB
- Bit rate 250Kbps?8Mbps
- Illumination 0 Lux (LED ON)
- Optical zoom No

Lens

- Focal length 4mm
- Angle H: 83.8°, V: 42.7° D:100.1°
- IR LEDs 22µ 12x LEDs. 1x Red alarm LED, 1x Blue alarm LED
- Alarm LED
- IR range up to 50 metres

Function

- Exposure control Yes
- White balance Automatic
- Image enhancement BLC/ HLC/ 3D DNR/ DWDR/ Defog
- Advanced OSD
- Support OSD large font function,
- OSD and time for separate adjustment of position, 5 lines x 16 characters
- Privacy mask Yes (of max. 8 areas)
- Field of view blanking Yes (max. 8 areas)
- Intelligent analysis Region Intrusion, Line Crossing, people counting, video manipulation
- Day and night function Automatic day and night switching
- Motion detection Yes
- Alarm method E-mail alarm
- Remote operation System, audio and video, image, alarm,
- Network Management, Intelligent Analysis

Network

- Ethernet 10M/100M Ethernet, RJ45 port
- Protocol HTTP, TCP/IP, ICMP.RTSP, RTP, UDP, RTCP,
- SMTP, DHCP, DNS
- Stream 2x Streams
- Network transmission CloudSEE 2.0
- ONVIF ONVIF 2.4
- Browser IE8+
- Smartphone & Tablet iOS/Android

General

- Product dimensions 223x94x137 (mm)
- Net weight 610 g
- Material metal + plastic
- Temperature range -20°C?60°C
- Humidity range RH 10%?90% (non-condensing)
- Power supply DC12V
- Power consumption day ?3W, night?6W
- Protection class IP67
- EAN 6938449002009
