## 📄 Product Description

Thanks to its compact size, the Jovision IP-B2W-TY surveillance camera is ideal for monitoring indoor and outdoor areas. The camera is quick and easy to operate, without any problems and with little effort. Thanks to the excellent image or stream quality (2 megapixels) and motion detection, you won't miss a thing. The camera can be controlled with the Tuya app. It is also weatherproof to IP67. It also impresses with its integrated microphone and speaker.ATTENTION: The Tuya series (-TY) cameras are not compatible with the Jovision NVRs!
