### Product Description

This convenient folding shovel is ideal for outdoor use such as camping, hiking, gardening and more. The shovel is made of high quality steel, making it durable and reliable. This tool will prove useful for a variety of tasks. This multifunctional tool combines several functions for which it can be used: Shovel, saw, pick, compass and bottle opener. Thanks to the possibility of disassembly and folding the shovel does not take up much space. After folding, the shovel fits into the storage bag included in the set. Thanks to the storage bag, the shovel can always be with you. For example, you can carry this tool at your side or simply pack it in a backpack or keep it in a trunk. Thanks to the non-slip material, the handle fits firmly in your hand. Thanks to the compass mounted on the handle, you can easily find your way in the field when hiking. - Brand: Maclean- Model: MCE961- Type: multi-function tool- Can be folded and disassembled- Color: Black- Material: steel- Total length: 41 cm- Blade dimensions: height 12.5 cm, width 9.5 cm- Includes storage bag.- High quality, compact multi-purpose shovel with a length of only 41 cm- Suitable for outdoor activities such as camping, hiking, gardening, etc.- Multifunctional: shovel, saw, hoe, compass and bottle opener in one- Easy to carry thanks to practical bag and folding option- The compass on the top of the handle helps with orientation in the terrain- The rubber handle is non-slip and easy to grip- Made of high quality steel, which ensures a long service life.
