Product Description

Stylish headphone stand made of high-quality, durable wood. Protects your headphones perfectly from damage and scratches and also fulfils a decorative function. Thanks to its professional design, the stand easily supports all headphones with different sized earmuffs as well as wide and narrow earpieces. The correct balance ensures stability and non-slip feet prevent the rack from moving. By storing the headphones correctly, the elements do not deform and this increases their service life. The stand can be placed on the desk in the office or in the music studio as well as next to the TV in the living room. Wood. Perfect for all common headphones from manufacturers such as Sennheiser, JBL, Sony, Audio Technica, Bose, Shure, AKG and many more. Universal headphone stand. This robust headphone holder offers the perfect protection for your headphones. The headphones are firmly attached to the holder and can be easily removed. Suitable for almost all over-ear headphones. - Colour: light oak - Dimensions: 257 x 130 x 80 mm - Weight: 0.4 kg - Maclean MC-815O headphone stand - Manufacturer's packaging - Proof of purchase - Stylistic appearance - Ensures the right balance - Prevents deformation of the headphones - Fits all earphones - Durable and stable construction - Non-slip pads - Made of high-quality, durable wood
