EAP115 - 300 Mbit/s Ceiling Mount Wi-Fi Access Point

from **36,20 EUR**

Item no.: 326023
shipping weight: 0.80 kg
Manufacturer: TP-LINK

Product Description

TP-Link EAP115 - 300 Mbit/s Ceiling Mount Wi-Fi Access Point

Build and manage a scalable Wi-Fi network for your business with the Auranet business class solution, tailored to handle the power of hundreds of TP-Link EAPs at an affordable cost.

The captive portal provides customizable guest authentication settings for maximized user control. Administrators can easily set and adjust guest Wi-Fi settings by designing a unique authentication page, establishing a voucher system to limit the duration of use for each client, or creating "Operator" accounts, for permission to manage the guest network without having access to other EAP administrative features.

Concurrently manage and monitor hundreds of Auranet EAPs in a single location. Unlike most standard hardware controllers, the TP-LINK EAP Controller Software doesn't require any special training or added costs.

The Auranet EAP115 is designed for easy installation on any wall or ceiling. The Power over Ethernet (PoE) function allows your network cables to carry electrical power so you minimize on cable clutter. Its one more hardwiring hassle you don't have to worry about when operating your centralized management system. Package contains

- Device
- Power adapter 12 V/1 A
- Mounting kit

Connectors and Interfaces

- LAN speed: (1) 10/100 Mbps

Physical characteristics

- Purpose: Indoor
- Buttons: Reset
- Operating temperature [°C]: 0 up to 40
- Depth [mm]: 180
- Width [mm]: 180
- Height [mm]: 48

Power

- Max. power consumption [W]: 5
- Power over Ethernet: 802.3af
- PoE type: Input
- Power via connector/terminal: 12 V/1 A

Software

- Operating mode: Access Point

Wireless features

- Wireless frequency: 2.4 GHz
- WiFi standards: 802.11n, 802.11b/g
- Transmission speed - Wi-Fi 2.4 GHz [Mb/s]: 300
- Tx power 2.4 GHz [dBm]: 26
- Security: 64/128/152-bit WEP/WPA/WPA2, WPA-PSK/WPA2-PSK
- 2.4 GHz MIMO: 2x2
- Type of antenna: Build-in
- Internal antennas: 2
- Roaming: Yes
- Antenna gain [dBi]: 3
