Product Description

Designed for medium and large roomsThe Yealink UVC86 is a 4K dual eye-tracking camera for medium and large rooms, providing a perfect view of everyone and every detail. With an integrated dual 4K camera and AI-driven features such as presenter tracking, speaker tracking, auto framing and picture-in-picture, the UVC86 enhances your meeting room by accurately capturing every moment and detail. With a wide 90° field of view and easy mechanical pan and tilt control via the remote control or the Yealink camera. Dual 4K cameraProfessional video experienceMeet the Yealink UVC86, a powerful integrated dual-eye 4K camera with a panoramic camera for real-time participant detection and a PTZ camera to capture the best image of everyone in the room. Experience accurate and smooth tracking no matter where and when meeting participants are present. With 12x optical zoom and 90° field of view, the UVC86 captures every person in the room and maintains high-resolution image quality when zoomed in. AI-ASSISTEDVIEW-Auto Framing automatically recognises the number and positions of participants. It frames the first meeting participant and then adjusts continuously as more participants enter the room. There is no need for manual adjustments. -Speaker tracking provides a close-up of the speaker in real time, creating a lively face-to-face meeting experience and ensuring that participants are well engaged. -Presenter tracking ensures that the camera follows presenters around the room during their presentation so that they are always at the centre of the camera's field of view. Remote participants can experience the presentation as if they were in the room. Multiple installations for any roomThe UVC86 offers flexible installation options, including on a conference table, TV stand or tripod. on the wall, ceiling or on a TV to suit any professional meeting room. Set up is easy via USB plug-and-play making it ready for your meeting immediately. Camera- Zoom- Frame rate: 30 fps - Video resolution: 4K Power supply- Power supply: Mains Shipping- WEEE: 18291819
