Product Description

Gigaset COMFORT 500A Duo silver-black Condition: New EAN: 4250366866642 Manufacturer: Gigaset Technologies Manufacturer no.: L36852-H3023-B101 Description The new benchmark for convenient communication at home and in the home office. With the COMFORT 500A duo, Gigaset presents the new benchmark for cordless telephony at home and in the home office. The timeless elegant design cuts a fine figure both on the desk and throughout the home. Calls and conference calls in HD quality. In professional use, the Gigaset COMFORT 500A duo impresses with a professional headset connection and an integrated hands-free kit in HD quality: this leaves your hands free for good conversations and direct transcripts. Excellent voice quality is also guaranteed for classic phone calls. A sustainable design for all generations. The new Gigaset generation provides lasting pleasure with its high-quality materials and simple operation. And that even applies to all generations: thanks to optimum readability of the display and hearing aid compatibility, enjoying communication is no longer a question of age. Comfort call protection blocks unwanted numbers. Unwanted calls are a challenge in every phase of life: Gigaset has developed a new function that protects against annoying advertising calls with its comfort call protection. Local, individual blocking is possible for up to 150 phone numbers. If this number is reached, the oldest blocked number is automatically replaced. Innovative technologies, Made In Germany. The Gigaset COMFORT 500A duo is based on decades of experience in the construction of high-quality communication solutions. Constantly evolving technologies such as ECO DECT and Green Office Energy Saving ensure excellent connections in combination with a modern design. A new masterpiece, developed and "Made In Germany".
