from **266,50 EUR**

Item no.: 401378  
shipping weight: 0.20 kg  
Manufacturer: Yealink

### Product Description

Ultra-lightweight design At full performance, the UH34 weighs just 82.5g for the mono and 118g for the dual, which is 10-30% lighter than other wired USB headsets in the same range. The extremely lightweight design allows for all-day comfort without pressure. All-day comfort Equipped with interchangeable soft leather (UH34) and foam (UH34 Lite) ear cushions. Teams headset can gently cover the ear and support long conference calls, so you can enjoy maximum comfort at all times. Flexible plug-and-play connectivity Out of the box, a USB plug-and-play setup makes it easy to connect to your PC. With soft clients, you can enjoy a reliable calling experience. The perfect combination with Yealink IP phones gives you optimised audio quality. Intuitive control unit Inline call controller with LED indicators for easy call management. You can quickly and easily answer and end calls, adjust the volume and mute the line directly from the control unit. More connection options through other UH34 editions: - USB-C- 3.5mm Jack High quality audio experience UH34/UH34 Lite is designed for calls and music and is equipped with a high signal-to-noise ratio speaker and an independent cavity design. The passive noise cancellation ensures a richer and clearer conversation with reduced background noise. Easy management The Yealink Device Management Platform/Cloud Service has proven to be reliable and is integrated with Yealink USB Connect software, making the devices easy to manage.
