## RG-ES05 - Reyee Plastic Case Desktop Switch

from **8,78 EUR**

Item no.: 391387  
shipping weight: 0.20 kg  
Manufacturer: Ruijie Networks

### Product Description

The perfect combination of quality, ease of use & cost effectiveness Ruijie Real-easy Series Plastic Switch is a desktop switch tailored for small enterprises, small-scale surveillance and SOHO, which consists of a total of 4 different models to meet the network needs of small enterprise customers. The switches feature plug and play, zero configuration and compatibility with a variety of terminals such as network cameras, printers, PCs, etc., to offer fast deployment experience. Enterprise-grade Quality Materials The 8-pin port supports network cables of various qualities, and the enterprise-grade components ensure no packet loss or lagging for data transmission. Plug and Play & Energy Saving Self-adaptive feature is supported for the network ports. With zero configuration, the device can operate instantly after plugging in. The energy saving feature enables the non-operating ports to automatically reduce power consumption, and the fanless design also enables noiseless operation. Technical parameters Connectors and Interfaces- LAN speed: (5) 10/100Mbps Power- Power type: DC connector- Max. power consumption [W]: 2.5- Power via connector/terminal: 5V / 0.6A Physical characteristics- Design: Desktop- Fans: No- Chassis design: Plastic- Operating temperature [°C]: 0 up to 40- Width [mm]: 108- Height [mm]: 25- Depth [mm]: 64 General- MAC address table: 1000- Packet forwarding rate [Mpps]: 0.74
