

Item no.: 375478

WDS960G2G0C - 960GB M.2 SSD, 1.8 Zoll, M.2

from **93,69 EUR**

Item no.: 375478
 shipping weight: 0.10 kg
 Manufacturer: Western Digital

Product Description

Keep your computer, increase performance. The WD Green™ SN350 NVMe™ SSD will revitalise your old computer. This SSD can be used for school, shopping, chatting and browsing and is up to four times faster² than a SATA drive. SSDs have no moving parts, making them shockproof and protecting important data from accidental bumps and drops. Thanks to the thin M.2 2280 form factor, any computer with an NVMe slot can be upgraded quickly and easily. And with the downloadable Western Digital® SSD Dashboard, you can reliably monitor the health of your drive. NVMe™ performance at an affordable price Experience fast performance with affordable NVMe™ technology that significantly outperforms traditional SATA drives. Protect your data Solid-state drives protect your data even in the event of shocks and drops because they have no moving parts. Upgrade quickly With the thin M.2 2280 form factor, you can upgrade your computer in no time at all. All you need is an NVMe™ slot and about 10 minutes. Monitor drive health The Western Digital® SSD Dashboard is a free downloadable software that monitors current performance, free space and temperature, among other things, to ensure sustained peak performance. More space for important data The WD Green™ SN350 NVMe™ SSD is available in capacities of up to 2TB¹. Technical data- Capacity 240GB- Form factor M.2 2280- Connection M.2- Sequential read Sequential read 2400MB/s- Sequential write 900MB/s- Random read 160K IOPS- Random write 150K IOPS- Interface PCIe Gen3 x4, NVMe v1.3- Endurance (TBW) 40- Dimensions (L x W x H) 80mm x 22mm x 2.38mm- Weight 7.5gms- Model Number WDS240G2G0C- Operating Temperature 0°C to 70°C- Non-Operating Temperature -40°C to 85°C- Certifications BSMI, ICES-003/NMB-003, CE, FCC, KC, Maghreb, RCM, UKCA, VCCI, CB-Scheme, TUV, UL Product Features- Fast NVMe™ performance of up to 2.400 MB/s for everyday requirements- SSDs are shockproof in the event of accidental bumps and drops- The thin M.2 2280 form factor is ideal for computers with an NVMe™ slot- Downloadable Western Digital® SSD Dashboard to monitor drive health and usage
