## RG-ES08G - Reyee plastic housing unmanaged desktop switch

from **18,80 EUR**

Item no.: 391390  
shipping weight: 0.40 kg  
Manufacturer: Ruijie Networks

### Product Description

The perfect combination of quality, ease of use and cost-effectiveness Ruijie Real-easy Series Plastic Switch is a desktop switch tailored for small businesses, small surveillance systems and SOHO, consisting of a total of 4 different models to meet the networking needs of small businesses. The switches offer plug-and-play, zero configuration and compatibility with a variety of end devices such as network cameras, printers, PCs, etc. to enable rapid deployment. Enterprise-grade Quality Materials The 8-pin port supports network cables of various qualities, and the enterprise-grade components ensure that there is no packet loss or delay in data transmission. Plug-and-Play & Energy Saving The network ports support a self-adapting function. The device can be put into operation as soon as it is plugged in without any configuration. The energy saving function enables automatic reduction of power consumption of the unused ports, and the fanless design enables silent operation. Technical parameters Connections and interfaces- LAN speed: (5) 10/100/1000Mbps Power supply- Power supply type: DC connection- Max. Power consumption [W]: 3- Power supply via connection/terminal: 5V / 0.6A Physical properties- Design: Desktop- Fan: No- Housing design: Plastic- Operating temperature [°C]: 0 to 40- Width [mm]: 144- Height [mm]: 23- Depth [mm]: 85 General- MAC address table: 4000- Packet forwarding rate [Mpps]: 11.9
