from **84,85 EUR**

Item no.: 401958
shipping weight: 1.50 kg
Manufacturer: Delock

Product Description

This stand for tablets and notebooks with docking station from Delock not only impresses with its design, but also with its stability and function. Thanks to the adjustable angle, the tablet or notebook can be placed in any position and remains stable. The rubber pads attached to the underside and in the holder ensure that neither the device nor the holder slips. Docking station The docking station can be connected to a mobile device with USB-C™ DP Alt Mode, Thunderbolt™ 3 or Thunderbolt™ 4 port and provides a variety of interfaces. A monitor with a maximum resolution of up to 4K 60 Hz can be operated via the HDMI output. USB Power Delivery (USB PD 3.0) support up to 90 watts. The docking station has a USB Type-C™ Power Delivery port. If this port is connected to the power supply unit of the notebook or tablet, the host device is charged with up to 90 watts during operation.
