Product Description

WD_BLACK D10 Game Drive - 8 TB High-performance storage with active cooling

The WD_Black D10 Game Drive takes your console or PC to the next level and ensures that you are always at the forefront of gaming. The drive gives you up to 8 TB1 of additional storage space for up to 200 games3 and allows you to record your best gaming moments and replay them as often as you like. The WD_Black D10 Game Drive runs at 7200 rpm, features active cooling and offers transfer speeds of up to 250 MB/s2 for sensational gaming performance without compromise. The entire game collection at your fingertips Thanks to the WD_Black D10 Game Drive with 8 TB1 of additional storage space, you don't have to waste time freeing up space on your console or PC and possibly discarding games altogether - you can keep all your old favourite games while continuing to expand your collection. You can also record, archive, play and share your best gaming moments more easily.

Large storage capacity, high transfer speed The WD_Black D10 Game Drive4 enables gaming at the highest level with 250 MB/s2 data transfer rate at 7200 rpm. This hard drive has been specially developed for gamers and is equipped with active cooling to minimise the risk of failure due to overheating and guarantee optimum performance in every situation.

Charging function For equipment The WD_Black D10 Game Drive has two 7.5 W USB Type-A ports for charging gaming equipment and accessories. The high-quality and intricately crafted product can be mounted vertically or horizontally, charging your gaming devices and ensuring you're always ready for the next battle.

Known For Quality And Reliability Gamers around the world trust WD_Black™ products with their precious virtual lives - for good reason. The concept behind WD_Black™ is simple: optimised features and performance for gaming. The WD_Black D10 Game Drive offers reliability, optimised transfer speeds, significant storage expansion - your reliable equipment for fascinating gaming. Full concentration on gaming WD_Black™ sets standards in terms of premium storage expansion and performance. Designed specifically for gamers, the WD_Black D10 Game Drive makes your console or PC more powerful and reliable and provides plenty of extra storage space. This means you no longer have to think about the function or capacity of your hardware, but can concentrate fully on gaming. A WD_Black™ hard drive will never let you down.
