from **50,37 EUR**

Item no.: 375306  
shipping weight: 0.10 kg  
Manufacturer: Shuttle

### Product Description

Shuttle offers a wide range of optional accessories for the Box PCs BPCWL02 and BPCAL02. With the Shuttle Box PC Accessory PWR01, an external on/off button can be connected to the Box PC. This can be helpful if the Box PC is located in a place that is difficult to access. Note: the external button with cable is not supplied. Compatibility and application- Compatible with the Shuttle Box PCs BPCWL02 and BPCAL02.- PWR01 consists of a holder with two screw connections, which is installed on the front of the Box PC. A two-wire cable can be connected here, which leads to an external on/off button (pushbutton), which can then be used to switch the Box PC on and off.- For installation instructions, please refer to the PDF specification for PWR01.- Note: the external button (pushbutton) and the required cable are not supplied. Scope of delivery- Bracket with 2-pin connector- Terminal block with two screw terminals- Quick start guide. EAN Product code: 4046047103980
