snom Advanced Wireless Headset Adapter EHS V2

from **68,46 EUR**

Item no.: 386349

shipping weight: 0.10 kg

Manufacturer: Snom Technology GmbH

Product Description

Headsets allow much greater freedom of movement during a telephone call than normal telephone handsets. The wireless headset adapter is compatible with all Snom telephones and creates a bridge between professional VoIP telephony and the wireless headsets from Jabra, Plantronics and Sennheiser. The Snom EHS adapter supports the proprietary protocols of leading manufacturers to enable call acceptance directly on the headset. As soon as the telephone receives a call, the incoming call is signalled in the headset using the original ringtone and the call can be answered and ended on the headset. Highlights- Complete freedom of movement- Ringer transmission to the headset- Answer and end calls directly on the headset- Perfect firmware integration- Manufacturer-specific EHS protocols- DHSG standard- No additional power supply required- Easy to connect Scope of delivery- snom Advanced Wireless Headset Adapter EHS V2 Basic features- Colour: Black - Width: 41 mm - Height: 23 mm - Length/Depth: 70 mm - Weight: 32 g Shipping- WEEE: 53501255
